

FREE IN-PERSON COMPUTER CLASSES

At Fryeburg Public Library

515 Main St, Fryeburg ME 04037

Email Basics

Learn the basics of using email in this class. We will look at navigating, composing, replying, working with attachments and more, with hands-on class participation. *A device connected to the internet and an email account are required for this class.

Monday, March 20th and Tuesday, March 21st - 1:30 to 2:30 pm

*Computers provided as needed

Learning About Devices

Devices connected to the internet have become a part of our everyday life. In this class you will learn about the wide variety of devices, from the servers that receive, store and transmit our data, all the way to tablets, smartphones and wearable devices.

Monday, April 3rd - 9:30 am to 10:30 am

Applying for the Affordable Connectivity Program

The Affordable Connectivity Program is an FCC program that was put in place to help low-income families pay for the cost of connecting to broadband internet access. In this class we will look at qualifying for and applying for the benefit, and what you can expect from Internet Service Providers.

Wednesday, May 10th - 2:00 pm to 3:00 pm

Identifying Frauds & Scams

Learn about the different types of internet fraud and scams, the dos and don'ts of protecting yourself online and what to do if you have experienced online fraud or abuse.

Monday, May 15th - 2:30 pm to 3:30 pm
